National Membership Information

Please take the time to complete the following membership profile. The information is to be used for national statistical analysis to determine services, programming, and funding needs.

A creator of visual art has the status of professional artist if: earning a living through art making, or possessing a diploma in an area considered to be within the domain of the fine arts, or teaching art in a school of art or applied art, or work is often seen by the public or is frequently or regularly exhibited; or recognized as an artist by consensus of opinion among professional artists (*from International Artists Association definition*).

An artist can be a member of CARFAC if he/she declares self as a professional artist.
